

## Watertree Health® President Provides Statement On Skyrocketing Drug Prices For Retirees

PR Newswire [Follow](#) Jan 11, 2017 10:10 AM EST

My Company's free prescription discount card can offer some relief - It helps people save up to 75% on thousands of prescription drugs at over 60,000 pharmacies. For example, we offer an almost 50 percent discount on generic versions of prescriptions used by many older Americans such as Nitrostat, Nexium, Celebrex and Crestor.

Get a free card at <http://www.watertreehealthcard.com> or by texting CARD to 95577.

When seniors are forced to scrimp on prescriptions, not only do they experience poorer health and a poorer quality of life but also increased future health care costs due to repeated hospitalizations that could have been prevented. This is very concerning behavior that needs to be addressed because they deserve to live happy and healthy lives."

About Watertree HealthMatt Herfield and Ronnie Harris founded Watertree Health to make health care more accessible to everyone. The Company launched a free prescription discount card to address the growing and urgent need for affordable medicines. To further improve the health of people, Watertree Health has forged strategic alliances with Make-A-Wish®, regional Food Banks and recently the ASPCA®.
